

Become a Board Member

Combine a love of heritage with your personal skills and play a major role in the success of Goulbourn Museum. The Goulbourn Museum is governed by an elected Board of Directors as set out in its Constitution and By-laws. Please refer to our mandate and vision statements which we hope will motivate you to join us in this journey.

Our Mandate

Goulbourn Museum's mandate is to disseminate the material and oral history of the Goulbourn community by collecting, preserving, displaying and interpreting local artefacts. The Museum will offer a range of education programs to increase the public's understanding and enjoyment of local history. A History Centre is open for local history and genealogical research.

Our Vision

An accessible Museum committed to preserving and sharing the history of the Goulbourn community, housed in buildings with designated space for all museum functions including exhibitions, public programs, collection storage and exterior space for heritage interpretation and programming. The Museum will be an integral part of the cultural life of a rapidly expanding community and will operate from a solid base of financial support with an experienced permanent staff supported by local volunteers.

Our vision is that every person in Goulbourn feels connected to the community's rich past and vibrant future.

How To Apply

Please provide a statement describing the skills, knowledge and experience that you can offer the Goulbourn Museum. Please provide this to the museum — Attention: Nominating Committee — by April 6, 2016.

Board meetings are currently held in the morning of the second Thursday, each month. Review of documentation takes place in advance.

Board members will be elected at the Museum's Annual General Meeting on April 28, 2016.
